Korniche FlatLite™

Introducing the Korniche FlatLite™

Premium Quality • Affordable Price • Effortless Installation

Why Choose FlatLite™?

The most cost-effective addition to the Korniche range, designed to bring natural light and elegance to homes or light commercial spaces when a project is more price sensitive. Engineered with the precision and quality that defines Korniche, FlatLite™ offers exceptional affordability without compromising great design.

Addressing the risks associated with low cost rooflights, correct, repeatable, installation has been made possible with a unique spacer ensuring control of sealant depth, removing the chance of seal shear in changing temperatures. The Korniche FlatLite™ is the best solution for homeowners looking for a UK made high-quality, secure, and stylish flat glass rooflight at an unbeatable price.

- **PAS24 Security as Standard** – Offering industry leading security for peace of mind.
- **Triple Weather Seals** – Provides superior leak protection.
- **Engineered for Affordability** – The Korniche rooflight for price sensitive projects without compromising performance.
- **Quick & Easy Installation** – Designed for DIY as well as trade professionals, with minimal fitting time and complexity.
- **Sleek Minimalist Design** – A contemporary aesthetic to complement any modern living space.
- **UK Manufactured & UK Warranty** – UK manufactured glazing unit to British Standards.

DOUBLE GLAZED

TRIPLE GLAZED

Because natural light needn't cost the earth

Korniche **SIPS upstand**

Thermally efficient • Perfect fit • The smart choice to save time on-site
